KALIMAT Group and Reggio Children work together to empower children and educators

Kalimat, Italy's Reggio Children sign pact to enhance education

The agreement sets stage for enhanced educational initiatives and growth for the betterment of children

SHARJAH / WAM

Kalimat Group and Reggio Children — Italy have solidified their partnership by signing a Memorandum of Understanding (MoU). This collaboration marks a milestone after six years of successful cooperation, setting the stage for enhanced educational initiatives and mutual growth for the betterment of children in their respective regions and beyond.

Reggio Children promotes, values, and defends the wealth of knowledge developed over more than 65 years by the infant-toddler centres and preschools of the Municipality of Reggio Emilia, a city in northern Italy. This experience is known as the "Reggio Emilia Approach".

The MoU outlines Kalimat Group's commitment to organise seminars, exhibitions, and ateliers (workshops) in collaboration with the educational centre based in Reggio Emilia, Italy. Furthermore, the agreement includes the translation, publication, or distribution of at least five Reggio Children publications, all under the support of the Italian institution.

By publishing quality material and creating highly effective learning experiences,

The "Horouf Reggio Conference" held in Sharjah in 2018 serves as a prime example of Kalimat Group and Reggio Children's fruitful collaboration —WAM

MoHRE launches video call service

DUBAI / WAM

The Ministry of Human Resources and Emiratisation (MoHRE) has launched a video call service for customers on its official smart application, while continuing to provide the same feature via WhatsApp using its number 600590000.

The new service is part of the ministry's ongoing efforts to enhance digital services for customers and meet the UAE Government's ambitious digital transformation targets by expanding the digital services provided to customers.

It allows users to inquire

about all MoHRE services and receive the necessary support through video calls with customer happiness consultants. Customers can access the service through the Ministry's official application via the "Support and Contact" option and WhatsApp under the "Es-

tablishments and Workers" or the "Domestic Workers" option. "Expanding the new service and launching it through the smart application forms is part of our strategy at the Ministry of Human Resources and Emiratisation," said Hussain Al Alili, Director of the Customer Relations Department at the Ministry.

"It aligns with our commitment to providing outstanding services to customers, expanding our digital offering, and ensuring a comfortable, easy, and quick user experience."
